

Occupational Health & Safety Course

This is a free course offered by the Alberta College and Association of Opticians to provide you with occupational health and safety information related directly to your practice. This course will have a value of **6 EC credits** when complete. There are 10 units with quizzes which are self-marked, and available online in Canvas Instructure.

Please provide the following information in order to register for this course.

Name	
License Number	
Email Address	

After submitting this form, you should receive an e-mail from Canvas Instructure, as soon as you have been registered by the ACAO. This may take a day or two, as it is done manually.

Remember to check your junk mail folder if you do not see the e-mail in your inbox.

To register for the course, click on the link provided in the e-mail, accept the invitation on the Canvas dashboard, and create a password to log-in. Your grades will be available as you complete each section, but your credits may take time to process, as they are entered manually into our system in batches.

NOTE: This is a fillable form that you can print or download and fill out. When you finish filling out your information, please save it to your computer and send it to Shawna Hrynyk at shawna@acao.ca or you can fax it at 780-426-5576.

Thank you,
ACAO
